VOTING OPTIONS AND PROXIES

If you do not plan to attend the Meeting in person, you are encouraged to complete and return the Proxy Form which accompanies this Notice.

Voting by Proxy

A Shareholder who is entitled to attend and vote at the Meeting is entitled to appoint not more than two proxies to attend and vote in place of the Shareholder.

If the Shareholder appoints two proxies, the Shareholder may specify the proportion or number of votes that each proxy is entitled to exercise. If no proportion or number of votes is specified, each proxy may exercise half of the Shareholder's votes. If the specified proportion or number of votes exceeds that which the Shareholder is entitled to, each proxy may exercise half of the Shareholder's votes. Any fractions of votes brought about by the apportionment of votes to a proxy will be disregarded.

A proxy need not be a Shareholder of the Company. A body corporate appointed as a Shareholder's proxy may appoint a representative to exercise any of the powers that the body corporate may exercise as a proxy at the Meeting. A representative of a body corporate should bring to the Meeting evidence of his or her appointment, including any authority under which the appointment is signed, unless it has previously been given to the Company.

Subject to the specific proxy provisions applying where a Shareholder appoints the Chair of the Meeting as proxy (see the Explanatory Notes below), if a Shareholder has not directed their proxy how to vote, then the proxy may vote as the proxy determines.

Proxy Voting by the Chair

With respect to Item 2 (Remuneration Report) and Item 5 (Employee Incentive Plan), if the Chair is appointed as a Shareholder's proxy and that Shareholder has not specified the way in which the Chair is to vote on Item 2 and/or Item 5 (by marking the appropriate box(es) directing the Chair to vote "For" or "Against", or to "Abstain"), then, as stated on the Proxy Form, the Shareholder will be taken to be authorising the Chair to vote IN FAVOUR of Item 2 and/

or Item 5, even though Item 2 and Item 5 are connected directly or indirectly with the remuneration of Key Management Personnel, which includes the Chair.

With respect to all other items of business, where the Chair is appointed as a Shareholder's proxy and that Shareholder has not specified the way in which the Chair is to vote, the Chair intends to vote all such undirected proxies IN FAVOUR of the resolutions in the Notice of Meeting.

Proxy Forms

To be effective, the Proxy Form must be completed, signed and submitted with the Company's share registry, **no later** than 10:00am (AEDT) on Tuesday 26 November 2019 (**Proxy Deadline**). BY ORDER OF THE BOARD

Martin Cleaver

Company Secretary
25 October 2019

EXPLANATORY NOTES

ITEM 1 – Financial Statements

As required by section 317 of the Corporations Act, the Financial Report, Directors' Report and Auditor's Report of the Company for the most recent financial year will be presented to the Meeting. The Financial Report contains the financial statements of the Company and its subsidiaries.

There is no requirement for a formal resolution on this item of business.

The Chair of the Meeting will allow a reasonable opportunity at the Meeting for Shareholders to ask questions about or make comments on the management of the Company. Shareholders will also be given a reasonable opportunity at the Meeting to ask the Company's auditor, Deloitte, questions about the Auditor's Report, the conduct of its audit of the Company's Financial Report for the year ended 30 June 2019, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company in its preparation of the financial statements and the independence of Deloitte in relation to the conduct of the audit.

Shareholders may submit written questions to the Company in relation to the above matters. Written questions must be received no later than 5.00pm (AEDT) on Monday 18 November 2019. The Company will then pass the questions to the Auditor for consideration.

ITEM 2 – Adoption of Remuneration Report

Reasons for Resolution

In accordance with section 300A of the Corporations Act, the Company has prepared a Remuneration Report for the consideration of Shareholders.

The Remuneration Report is found in the Annual Report for the year ended 30 June 2019.

As provided by section 250R(3) of the Corporations Act, the resolution on this item of business is advisory only and does not bind the Board or the Company. However, the Directors will take into account the discussion on this item of business and the outcome of the vote when considering future remuneration arrangements for Directors and senior executives.

Shareholders will have an opportunity to comment on or ask questions about the Remuneration Report.

Board Recommendation

The Board unanimously recommends that Shareholders vote IN FAVOUR of this resolution.

Voting Exclusion Statement

As required by the Corporations Act, the Company will disregard any votes cast on Item 2 by any member of the Company's Key Management Personnel or a Closely Related Party of any such member unless the person:

- (i) votes as a proxy appointed by writing that specifies how the person is to vote on the resolutions; or
- (i) is the Chair of the Meeting and votes as a proxy appointed by writing that authorises the Chair to vote on the resolution even though that resolution is connected with the remuneration of a member of the Company's KMP.

What this means for Shareholders: If you intend to appoint a member of the KMP (such as one of the Directors) as your proxy, please ensure that you direct them how to vote on the proposed resolution in Item 2. If you intend to appoint the Chair of the Meeting as your proxy, you can direct him or her how to vote by marking the boxes for Item 2 (for example, if you wish to vote for, against or abstain from voting), or you can choose not to mark any of the boxes for Item 2, in which case, as stated on the proxy form, you will be taken to be authorising the Chair to vote your undirected proxy as the Chair determines (in which case the Chair will vote IN FAVOUR of this Item 2).

ITEM 3 - Re-election of Mr Cameron Judson

In accordance with the ASX Listing Rules and the Company's Constitution an election of Directors must be held at each annual general meeting.

Under clause 64.1 of the Company's Constitution, the Director to retire will be the Director who has been longest in office since their last election, but as between persons who became Directors on the same day, the one to retire will (unless they agree among themselves) be determined by lot. Mr Cameron Judson, Ms Sonia Petering and Ms Abigail Cheadle were each re-elected as directors on the same day (at the Company's Annual General Meeting on 17 November 2017), and have agreed among themselves that Mr Judson and Ms Petering will both retire as Directors of the Company with effect from the end of the Meeting and, being eligible, offer themselves for re-election.

Details of Mr Judson are as follows:

Cameron was appointed an independent non-executive director of the Company on 9 June 2016 and was re-elected at the 2017 Annual General Meeting. Cameron was most recently the CEO of McGrath Limited, a position held from 2016 to 2018. He was previously the CEO and Managing Director of Chandler Macleod Group Limited from 2012 to July 2015. Cameron holds a Bachelor of Arts from the University of NSW and a Masters of Business Administration (Executive) from the Australian Graduate School of Management, and is a member of the Australian Institute of Company Directors.

Cameron is the Chair of the People, Remuneration and Culture Committee, and a member of the Audit, Risk and Compliance Committee.

Having had regard to the criteria for director independence set out in the ASX Corporate Governance Principles and Recommendations (3rd edition), the Board considers Mr Judson to be an independent director.

Board Recommendation

The Board (other than Mr Judson) supports the re-election of Mr Judson and unanimously recommends that Shareholder vote IN FAVOUR of this resolution.

Chair's Voting Intention

The Chair of the Meeting intends to vote all available undirected proxies IN FAVOUR of Item 3.

ITEM 4 - Re-election of Ms Sonia Petering

In accordance with the ASX Listing Rules and the Company's Constitution an election of Directors must be held at each annual general meeting.

Under clause 64.1 of the Company's Constitution, the Director to retire will be the Director who has been longest in office since their last election, but as between persons who became Directors on the same day, the one to retire will (unless they agree among themselves) be determined by lot. Mr Cameron Judson, Ms Sonia Petering and Ms Abigail Cheadle were each re-elected as directors on the same day (at the Company's Annual General Meeting on 17 November 2017), and have agreed among themselves that Mr Judson and Ms Petering will both retire as Directors of the Company with effect from the end of the Meeting and, being eligible, offer themselves for re-election.

Details of Ms Petering are as follows:

Sonia was appointed an independent non-executive director of the Company on 9 June 2016 and was re-elected at the 2017 Annual General Meeting. Sonia holds a current Victorian legal practicing certificate and runs her own legal practice. She has held positions as a non-executive director with listed and unlisted companies and government authorities across various sectors covering financial services, payments, insurance and healthcare. Sonia holds a Bachelor of Laws and a Bachelor of Commerce from the University of Melbourne and is a Fellow of the Australian Institute of Company Directors. Other Directorships held by Sonia include: Virtus Health (ASX:VRT), Cuscal Limited, TAL Dai-Ichi Life Australia.

Sonia is a member of the People, Remuneration and Culture Committee; and a member of the Audit, Risk and Compliance Committee.

Having had regard to the criteria for director independence set out in the ASX Corporate Governance Principles and Recommendations (3rd edition), the Board considers Ms Petering to be an independent director.

Board Recommendation

The Board (other than Ms Petering) supports the re-election of Ms Petering and unanimously recommends that Shareholder vote IN FAVOUR of this resolution.

Chair's Voting Intention

The Chair of the Meeting intends to vote all available undirected proxies IN FAVOUR of Item 4.

ITEM 5 – Employee Incentive Plan

General

Item 5 seeks Shareholder approval for the Company's Employee Incentive Plan for the purposes of the Listing Rules and the Corporations Act.

ASX Listing Rules

Listing Rule 7.1 provides that a company may not issue Equity Securities, or agree to issue Equity Securities, without the approval of Shareholders, if the number of Equity Securities to be issued in any 12-month period (including shares issued on the exercise of any options) exceeds 15% of the issued capital of the company preceding the issue.

Listing Rule 7.2 contains a number of exceptions to the prohibition contained in Listing Rule 7.1. In particular, under Exception 9 in Listing Rule 7.2, any Equity Securities issued under an employee incentive scheme within three years of the date on which Shareholders approve the issue of those Equity Securities are not counted for the purposes of Listing Rule 7.1. Item 5 is designed to satisfy the requirements with respect to Exception 9 of Listing Rule 7.2.

Corporations Act

Section 259B(1) of the Corporations Act prohibits a company from taking security over its shares except as permitted by section 259B(2). Section 259B(2) states that a company may take security over shares in itself under an employee share scheme that has been approved by resolution passed at a general meeting of the company.

Section 260A(1)(c) of the Corporations Act prohibits a company from financially assisting a person to acquire shares in itself except as permitted by section 260(C). Section 260(C)(4) provides for special exemption for approved employee share schemes and states that financial assistance is exempted from section 260(A) if a resolution is passed at a general meeting of the company.

Accordingly, Shareholder approval is sought under Item 5 to ensure compliance with these sections of the Corporations Act.

Purpose of the Employee Incentive Plan

The purpose of the Employee Incentive Plan is to provide an incentive to eligible employees of the Company and its subsidiaries to remain employed in the long term, to recognise the contribution of eligible employees in the long term to the performance and success of the Company; and provide eligible employees with the opportunity to acquire rights, options or shares. These incentives are designed to encourage greater productivity from directors and management and to better enable the Company to retain its management personnel in a highly competitive industry in order to create long-term value for Shareholders.

Should Item 5 be passed, the Company will have the necessary flexibility to issue securities as an incentive to employees, and the issue of securities under the Employee Incentive Plan will not be included within the Company's placement capacity pursuant to Listing Rule 7.1.

Details of the Employee Incentive Plan

The Company has issued 150,443 Shares under the Employee Incentive Plan since 30 August 2016, being the date of the Company's listing on the ASX.

A summary of the key terms of the Plan is set out in Table 1 on page 6.

Table 1

Employee Incentive Plan

Overview	<p>The Plan establishes two incentive schemes, the “Exempt Shares Scheme” and the “Rights Scheme”, which involve, respectively the issue to eligible participants of Shares or rights to acquire or have issued a Share.</p>
Decisions	<p>A range of key decisions with respect to the operation of the Plan are reserved to a Plan Committee, which is defined as the committee of the Board to which power to administer the Plan has been delegated or if there has been no delegation, the Board. The People, Remuneration and Culture Committee (PRCC) is a committee of the Board to which, as set out in its Charter, among other things, the Board has delegated the role of reviewing and making recommendations to the Board on the payments under executive incentive plans and any equity based plan, including performance hurdles.</p> <p>With respect to the Plan, the PRCC acts as the Plan Committee, to the extent of administering the Plan, with its recommendations subject to approval by the Board.</p> <p>The Plan rules provide that the Board may at any time resolve to amend all or any of the provisions of the Plan rules.</p>
Eligible participants	<p>The Plan Committee may from time to time make offers to participate in the Plan to Eligible Employees, being;</p> <ul style="list-style-type: none">• employees or directors of the Company or its related bodies corporate (the Group);• service providers to the Group that the Plan Committee determine to be employees for the purposes of the Plan; or• such individuals or entities that are “associates” (as that expression is defined in section 318 of the Income Tax Assessment Act 1936 (Cth)), of any of the foregoing groups that the Plan Committee determine to be employees for the purposes of the Plan.
Plan limit	<p>Unless the Board determines otherwise, the Company may not issue under the Plan;</p> <ul style="list-style-type: none">• rights to an Eligible Employee if the total number of Shares that would be issued under the exercise of the rights, when aggregated with the number of Shares which could be issued under each outstanding offer or grant with respect to Shares or rights to acquire unissued Shares made during the previous three years under the Plan or any other employee, executive or management share scheme of the Company, would exceed 5% of the total number of issued Shares at that time; or• Shares to an Eligible Employee if the total number of Shares in the Company that would be issued, when aggregated with the number of Shares which could be issued under each outstanding offer or grant with respect to Shares or rights to acquire unissued Shares made during the previous three years under the Plan or any other employee, executive or management share scheme of the Company, would exceed 5% of the total number of issued Shares at that time.
Vesting conditions	<p>With respect to an issue of rights, the Plan Committee has discretion to set conditions which must be satisfied, and the period over which they must be satisfied, in order for rights to be exercised and the corresponding Shares to be issued.</p> <p>The relevant vesting conditions may vary between grants.</p> <p>The Plan Committee may at its discretion, vary, reduce or waive all or any vesting conditions, including due to a change of control event, which is defined to include the Board recommending that Shareholders either accept a takeover bid for the Company, or approve or vote in favour of a scheme of arrangement for the takeover of the Company.</p>

Exercise price The Plan Committee has the discretion under the Plan to set an exercise price applying with respect to the conversion of rights into Shares in the Company. With respect to rights previously issued under the Plan, no exercise price has been imposed, with the only performance conditions being time and continued service.

Lapse of rights Unless otherwise specified in the vesting conditions or determined otherwise by the Plan Committee, a right (whether vested or unvested) lapses on the earlier of:

- its specified expiry date;
- the date on which the Plan Committee determines that the right should lapse because the participant, in the Plan Committee's opinion: has been dismissed or removed from office for a reason which entitles a body corporate in the Group to dismiss the participant without notice; or has committed an act of fraud, defalcation or gross misconduct in relation to the affairs of the Company or one of its related bodies corporate; or has done an act which brings the Group or any body corporate within it into disrepute; and
- the date on which the participant otherwise ceases employment (other than due to the occurrence of an event such as death or total and permanent disablement, or where the participant's role is made redundant).

Restrictions on dealings in shares The Plan Committee has discretion under the Plan to impose trading or other restrictions on Shares issued to an executive pursuant to the Plan, including shares issued or transferred upon vesting of a right. A participant will forfeit any right or interest in Shares or rights, during a period to which trading restrictions apply, if the Board determines that the participant has committed an act of fraud, defalcation or gross misconduct in relation to the affairs of the Company or one of its related bodies corporate.

Voting Exclusion Statement

As required by the Corporations Act, the Company will disregard any votes cast on Item 5 by any member of the Company's Key Management Personnel or a Closely Related Party of any such member of the Company's KMP unless the person:

- (i) votes as a proxy appointed by writing that specifies how the person is to vote on the resolutions; or
- (ii) is the Chair of the Meeting and votes as a proxy appointed by writing that authorises the Chair to vote on the resolution even though that resolution is connected with the remuneration of a member of the Company's KMP.

As required by the ASX Listing Rules, the Company will disregard any votes cast in favour of the resolution by or on behalf of:

- (i) a Director of the Company (except those excluded from participation in the Employee Incentive Plan); or
- (ii) an Associate of that person (or those persons).

However, the Company need not disregard a vote if it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form, or if it is cast by the Chair of the Meeting as proxy

for a person who is entitled to vote, in accordance with a direction on the proxy form authorising the proxy to vote as the proxy decides.

What this means for Shareholders: If you intend to appoint a member of the KMP (such as one of the Directors) as your proxy, please ensure that you direct them how to vote on the proposed resolution in Item 5. If you intend to appoint the Chair of the Meeting as your proxy, you can direct the Chair as to how to vote by marking the boxes for Item 5 (directing the Chair to vote for, against or abstain from voting), or you can choose not to mark any of the boxes for Item 5, in which case, as stated on the proxy form, you will be taken to have authorised the Chair to vote your undirected proxy as the Chair determines (in which case the Chair will vote IN FAVOUR of Item 5).

Board Recommendation

The Board unanimously recommends that Shareholders vote IN FAVOUR of Item 5.

Chair's Voting Intention

The Chair of the Meeting intends to vote all available undirected proxies IN FAVOUR of Item 5.

ITEM 6 – Approval of additional capacity to issue Equity Securities under ASX Listing Rule 7.1A

General

Under ASX Listing Rule 7.1A, an eligible listed entity may obtain approval of holders of ordinary securities by way of special resolution at its annual general meeting to issue an additional 10% of its issued capital by way of placements of Equity Securities over a 12-month period after the date of the Annual General Meeting (**10% Placement Facility**). This is in addition to the normal 15% of its issued capital that may be issued without Shareholder approval under ASX Listing Rule 7.1.

An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and that has a market capitalisation of \$300 million or less. As at the date of this Notice, the Company is an eligible entity.

If Shareholders approve Item 6, the exact number of Equity Securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated as at the date of issue of the Equity Securities, in accordance with the formula contained in ASX Listing Rule 7.1A.2.

Item 6 is a **special resolution** and accordingly requires approval of 75% of the votes cast by Shareholders present and eligible to vote.

Description of Listing Rule 7.1A

(a) Shareholder Approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of this Notice, has on issue one quoted class of Equity Securities, namely the Shares.

(c) Formula for calculating 10% Placement Facility

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12-month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

where:

A is the number of the Company's fully paid ordinary securities on issue 12 months before the date of issue or agreement to issue:

- plus, the number of fully paid ordinary securities issued in the 12 months under an exception in ASX Listing Rule 7.2;
- plus, the number of partly paid ordinary securities that became fully paid in the 12 months;
- plus, the number of fully paid ordinary securities issued in the 12 months with approval of holders of ordinary securities under ASX Listing Rules 7.1 and 7.4.;
- less the number of fully paid ordinary securities cancelled in the 12 months.

D is 10%

E is the number of Equity Securities issued, or agreed to be issued, under ASX Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of holders of the Company's ordinary securities under ASX Listing Rules 7.1 or 7.4.

(d) ASX Listing Rule 7.1 and ASX Listing Rule 7.1A

The ability of an entity to issue Equity Securities under ASX Listing Rule 7.1A is in addition to the entity's 15% placement capacity under ASX Listing Rule 7.1.

As of the date of this notice, the Company has 133,050,724 Shares on issue and the Company will have the capacity to issue:

- (i) 19,957,608 Equity Securities under ASX Listing Rule 7.1; and
- (ii) 13,305,072 Equity Securities under ASX Listing Rule 7.1A.

The actual number of Equity Securities that the Company has the capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer paragraph (c) above).

(e) 10% Placement Period

Shareholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
- (ii) the date of the approval by Shareholders of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

or such longer period if allowed by ASX (10% Placement Period).

Technical information required by ASX Listing Rule 7.3A

The following information is provided in compliance with ASX Listing Rule 7.3A:

(a) ASX Listing Rule 7.3A.1: Minimum Price

In accordance with ASX Listing Rule 7.1A, the Company may only issue Equity Securities under the 10% Placement Facility at a price that is not less than 75% of the volume-weighted average price for securities in that class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the issue price of the Equity Securities is agreed; or
- (ii) the issue date (if the Equity Securities are not issued within five trading days of the date on which the issue price is agreed).

(b) ASX Listing Rule 7.3A.2: Risk of economic and voting dilution

If Item 6 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, there is a risk of economic and voting dilution to existing Shareholders. Further, as the market price of the Equity Securities may be significantly lower on the issue date than on the date of the Meeting, and because the Equity Securities may be issued at a price that is at a discount to the market price on the issue date, there is a risk that the 10% Placement Facility may raise less funding than it would raise if the issue price were equal to the current market price of the Shares.

Table 2 below shows the dilution of existing Shareholders on the basis of:

- (i) the market price of Shares and the number of Shares on issue as at 2 October 2019;

- (ii) two examples where the number of Shares on issue has increased, by 50% and 100% respectively; and

- (iii) an example where the market price of Shares has decreased by 50%, and a further example where the market price of Shares has increased by 100%.

The table has been prepared on the following assumptions, and the Company does not represent that they will necessarily occur:

- the issue of Equity Securities consists only of Shares;
- current Variable A is calculated as at 2 October 2019;
- the Company issues the maximum number of Equity Securities available under the 10% Placement Facility;
- no options or rights which entitle the holder to Shares or Equity Securities upon exercise are otherwise issued under an exception in ASX Listing Rule 7.2, or with the approval of Shareholders under ASX Listing Rules 7.1 and 7.4, before the date of the issue of the Equity Securities;
- the table only demonstrates the effect of the issues of Equity Securities under ASX Listing Rule 7.1A, not under the 15% placement capacity under ASX Listing Rule 7.1;
- the table does not show the dilution to which any particular Shareholder will be subject, and all Shareholders should consider the dilution to which their own shareholding may be subject, depending on their specific circumstances; and
- the current market price of Shares is \$1.31, being the closing Share price on ASX on 2 October 2019 prior to the date of this Notice.
