### for the Half Year ended 31 December 2022

The Directors of QANTM Intellectual Property Limited (the Company or QANTM) present the half year financial report of the Company and its controlled entities (the Group or QANTM Group) for the Half Year ended 31 December 2022.

### **PRINCIPAL ACTIVITIES**

QANTM is the owner of a group of leading intellectual property (IP) services businesses operating under the following key brands:

### Davies Collison Cave, including:

- Davies Collison Cave Pty Ltd an incorporated patent and trademarks attorney business operating in Australia and New Zealand (*DCC*);
- Davies Collison Cave Law Pty Ltd an incorporated legal practice operating in Australia (DCC Law);
- Davies Collison Cave Asia Pte Ltd an incorporated patent and trade mark attorney business operating in Singapore (*DCC Asia*);
- DCC Hong Kong Ltd an incorporated patent and trade marks attorney business which commenced operation in Hong Kong in August 2022 ( DCC Hong Kong); and
- DCC Advanz Malaysia Sdn Bhd a specialist intellectual property advisory company operating in Malaysia (DCC Advanz);

### FPA Patent Attorneys, including:

- FPA Patent Attorneys Pty Ltd an incorporated patent attorney business operating in Australia and New Zealand (FPA); and
- FPA Patent Attorneys Asia Pte Ltd an incorporated patent attorney business operating in Singapore (FPA Asia);

**Sortify.tm** Limited – a New Zealand-headquartered incorporated trade mark legal technology company, that provides technology solutions incorporating artificial intelligence and automation to assist with filing of trade marks and management of trade mark portfolios. It operates automated trade mark filing platforms in Australia (under the brand *Trademarks Online*), New Zealand (*DIY Trademarks*) and Malaysia (*Trademarks Malaysia*), and, through its subsidiary, *Trade Mark Planet Ltd*, the United Kingdom.

The Group was restructured on 1 July 2022, with Advanz Fidelis IP Sdn Bhd merging with DCC to become *DCC Advanz* and the merger of the Cotters Patent and Trade Mark Attorneys business with FPA and DCC.

QANTM generates revenue by providing services in relation to the creation, protection, commercialisation, enforcement and management of IP. In addition, QANTM generates revenue outside the IP application process, with clients engaging the QANTM businesses to provide strategic IP advice regarding their IP portfolio or that of their competitors. Such strategic advice assists clients in identifying potential opportunities for IP protection. DCC Law provides IP legal and litigation services, and corporate and commercial legal advice on mergers and acquisitions, governance and compliance, business structures and restructures, capital raising, joint ventures, finance and asset protection. Sortify.tm provides AI-powered technology solutions, including online trade mark registration platforms in Australia, New Zealand, Singapore, Malaysia and the UK, and productivity tools for trade mark attorneys and lawyers.

QANTM has a diverse client base ranging from start-up ventures and SMEs to Fortune 500 multinationals, public sector research institutions and universities. The majority of QANTM's clients are located in the US, Europe, Japan and Australia and can be broadly divided into two groups:

- local clients, which include Australia, New Zealand, Singapore and Malaysia based corporates, public sector research institutions, universities, and private individuals; and
- international clients, which include:
  - foreign corporates that engage directly with QANTM, including Fortune 500 companies and other foreign multinational corporations; and

## for the Half Year ended 31 December 2022

- international clients referred to QANTM by IP practices based overseas (Foreign Associates).

QANTM businesses have relationships with a broad range of Foreign Associates internationally. These Foreign Associates engage the QANTM businesses to act on behalf of international clients where that client wishes to obtain IP protection in Australia, New Zealand, Singapore or Malaysia (often as part of the 'national phase entry' of applications made pursuant to the international Patent Cooperation Treaty (**PCT**)). Similarly, QANTM businesses will engage a Foreign Associate to act on behalf of their local clients that wish to obtain IP protection in the Foreign Associate's jurisdiction. This reciprocity between QANTM businesses and their network of Foreign Associates is important in generating incoming referrals of international clients and revenue for the businesses.

# INDEPENDENT AUDITOR'S REVIEW REPORT To the Members of QANTM Intellectual Property Limited

### **Report on the Half-Year Financial Report**

### Conclusion

We have reviewed the accompanying half-year financial report of QANTM Intellectual Property Limited ('the Company') and its controlled entities (together 'the Group') which comprises the consolidated statement of financial position as at 31 December 2022, the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of the Group is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the Group 's financial position as at 31 December 2022 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 Interim Financial Reporting and Corporations Regulations 2001.

### Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity* ('ASRE 2410'). Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company on 22 February 2023, would be in the same terms if given to the directors as at the time of this auditor's review report.

## Directors' Responsibility for the Half-Year Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the Group's financial position as at 31 December 2022 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

## **NOTE 1: SIGNIFICANT ACCOUNTING POLICIES**

### (a) Basis of Preparation

These general purpose interim financial statements for the Half Year reporting period ended 31 December 2022 have been prepared in accordance with requirements of the *Corporations Act 2001* and Australian Accounting Standard AASB 134: *Interim Financial Reporting*. QANTM Intellectual Property Limited and its controlled entities ('the Group') is a for-profit entity for financial reporting purposes under Australian Accounting Standards.

This interim financial report is intended to provide users with an update on the latest annual financial statements of the Group. As such, it does not contain information that represents relatively insignificant changes occurring during the half year within the Group. It is therefore recommended that this financial report be read in conjunction with the annual financial statements of the Group for the year ended 30 June 2022, together with any public announcements made during the following half year.

The interim financial report has been prepared on an accruals and historical cost basis except for certain financial instruments that are measured at revalued amounts or fair values, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. The financial statements are presented in Australian dollars, the functional currency of the Group and are rounded off to the nearest thousand dollars, unless otherwise indicated.

### (b) Accounting Policies

The same accounting policies and methods of computation have been followed in this interim financial report as were applied in the most recent annual financial statements.

### (c) Critical Accounting Estimates and Judgements

When preparing the interim financial statements, management undertakes a number of judgments, estimates, and assumptions about the recognition and measurement of assets, liabilities, income, and expenses. The actual results may differ from the judgments, estimates, and assumptions made by management, and will seldom equal the estimated results. The judgments, estimates, and assumptions applied in the interim financial statements, including the key sources of estimation uncertainty, were the same as those applied in the Group's last annual financial statements for the year ended 30 June 2022.

### **NOTE 2: DIVIDENDS**

On 22 February 2023, the directors approved a fully franked interim dividend of 2.8 cents per share in respect of the half-year ended 31 December 2022, to be paid on 5 April 2023 to all eligible shareholders on the Company's share register as at the record date of 1 March 2023. This dividend has not been included as a liability in these financial statements. The total estimated dividend to be paid is \$3.9 million.

## **NOTE 3: SEGMENT INFORMATION**

### **Basis for segmentation**

AASB 8 requires operating segments to be identified based on internal reports about components of the Group that are regularly reviewed by the chief operating decision maker in order to allocate resources to the segment and to assess its performance.

The Group operates in two geographic locations, which are its reportable segments. The Group has identified its operating segments based on geographical locations being Australia and Asia.
